OVERVIEW

Timeless villa in a prestigious residential golf community with tennis courts and horseriding facilities, overlooking the sea and the mountains.

Incredible opportunity to invest in a once-in-a-lifetime experience and enjoy the true art of nature from the windows of your home. It is absolutely impossible to take your eyes off of these truly magnificent landscapes, as they change throughout the day with the movement of the sun. This beautiful property is part of La Sella residential complex, located in the most prestigious part of Costa Blanca, a unique world of sophistication, class and comfort. The vibrant town of Denia with its port, one of the largest in Spain, shopping and entertainment areas, is just a 10-minute drive away.

The residential services and facilities include entrance control and a surveillance system, social club, several tennis and padel courts, horseriding facilities and even a Buddhist centre opened by a deputy to the Dalai Lama and welcoming stellar Buddhist guests (such as Richard Gere).

This property with its excellent classic design is distributed over 3 floors levelling down. Every floor is designed to exude an aura of luxury, elegance and relaxation. Floor-to-ceiling windows accentuate the interior brightness and spaciousness. The combination of colours and textured surfaces ensures a premium finish.

The ground floor welcomes us with an entrance hall, 2 guest bedrooms and 2 bathrooms, also a beautiful staircase to connect with the floors above. A garage for 2 vehicles, swimming pool and outdoor jacuzzi are also located on this level.

The main floor provides a spacious living room with a modern but classic design fireplace, bright fully equipped kitchen and dining area with direct access to a large lounge with a barbecue area to enjoy the breathtaking bird's eye views overlooking the Costa Blanca. It is here where the Costa Blanca's most spectacular sunsets take place, in a refined and soul-soothing setting. This floor also has one spacious ensuite bedroom.

The top floor is dedicated to the family sleeping area, providing 3 ensuite bedrooms, each with its own access to a large common terrace.
