An incredible opportunity in a stunning location, this villa offers breathtaking views of magnificent landscapes as they change through the day with the movement of the sun. This beautiful property is part of Art Blanc Altea residential complex located in the upper part of Altea la Vella: a unique setting of great sophistication, class and comfort.

Not only does this modern property surrounded by nature boast incredible views, but it is also just a 10-minute drive from the Mediterranean coast. The property is distributed over 3 floors, levelling down, with every floor designed to exude an aura of luxury and modern elegance whilst providing the perfect spaces for relaxation. The main floor is composed of the spacious living room with a modern fireplace, open plan, fully equipped kitchen and dining area with direct access to 44 m² sky lounge including high-end outdoor features such as a large tropical wood deck and a private SPA pool to enjoy the breathtaking views over the Costa Blanca.

The lower floor is dedicated to the sleeping area providing 3 bedrooms with ensuite bathrooms and a central zone to be converted into a library, office, playroom or a sitting room according to owner's needs. In the master bedroom, full length windows cast views across the sea and the vibrant city of Benidorm beyond. It is here where Altea's most spectacular sunsets take place.

The property is a great opportunity for a large family looking for privacy and a comfortable lifestyle. A safe residential community in an idyllic and prestigious setting close to the coast and with services that guarantee residents an excellent quality of life.
