OVERVIEW

A new development of Houses / Villas for sale in Finestrat, Alicante

This project of 28 luxury villas is located in Finestrat, Benidorm, in a privileged location between the sea and the mountains, next to Terra Mítica, several luxury hotels and a fantastic golf course. All this, one step away from the services offered by the city of Benidorm. In addition, it is very well connected, with direct access to the AP-7 motorway, the national N-332, and with access to the tram that connects Alicante city with Benidorm. In this residential complex, you will be just 5 minutes from the largest shopping centre on the Costa Blanca, 10 minutes from the beach and 35 minutes from Alicante airport.

The project villas, with 224 m², 3 bedrooms, 3 bathrooms, several solariums and a private pool on a plot of approximately 500 m², are created to enjoy the spectacular climate of the Costa Blanca. All homes have been designed to provide privacy and comfort to their owners, with wide open spaces and large windows that flood the home with natural light.

Each villa has its own private pool, as well as access to the communal areas with a large pool designed as an oasis. Thus, you can choose between relaxing in the privacy of your villa or socializing with the neighbors in the common areas, making this residence ideal for both a couple and a family with children.

You will be able to enjoy the incredible quality of life that these villas offer from December 2021.
