New build 1-bedroom apartment with 8 m² terrace for sale in Playa San Juan, Alicante

Bright and comfortable turnkey 1-bedroom apartment in a magnificent development with swimming pools and gym in the best area of Playa de San Juan.

Lucas Fox presents this magnificent new development in the most coveted area of Alicante, Playa de San Juan. The development is located just 10 minutes from the sea and is surrounded by parks and green areas, making it a very pleasant place to reside. In addition, it offers all the amenities and services at your fingertips, such as several supermarkets, restaurants, bars and a hospital.

The location offers a lot of tranquility, without giving up the proximity to places of leisure and all services. For athletes, you will find within walking distance several sports clubs such as Alicante Golf, as well as several cycling routes. Finally, the area is very well served by public transport and by road.

As for the development, it is designed to offer maximum comfort, with various services to enjoy the wonderful climate of the Costa Blanca without having to go outside. The complex offers 2 swimming pools for adults, a pool for children, a heated swimming lane, a jacuzzi, a sauna, a gym and various sports facilities. In addition, it will have a social club to organize all kinds of family or friends gatherings, as well as a toy library and a children's play area.

This apartment has a living room with an open kitchen, a bedroom, a bathroom and a laundry room. From the living room and from the bedroom you will have access to the terrace, perfect for relaxing and enjoying the sun.

For greater comfort, the apartment has hot / cold air conditioning with heat pump, an exterior thermal insulation system, wood-effect porcelain stoneware floors, modern furniture and wardrobes in each room.

The kitchen comes fully equipped with high-end appliances, such as an induction hob, a stainless steel extractor hood, an oven and microwave integrated in a column, as well as a stainless steel sink and a compact quartz worktop.

Both the development and the apartment with a class A energy rating have been designed to minimize energy consumption, with the possibility of reducing it by up to 62%. The objective is to improve your quality of life, with a home that respects your health and the environment, while obtaining significant savings on electricity and water bills.

If you want to live in the best area of Alicante, in a home designed specifically for your well-being and respectful of the environment, please contact us for more information or to arrange a visit.
