OVERVIEW

Impressive villa with direct views of the sea in the best area of Alicante, Cabo de las Huertas.

We present the most exclusive villa in Cabo de las Huertas, a few kilometres from the centre of the city of Alicante. The house is distributed over five floors.

The ground floor consists of a living room with access to a terrace, a kitchen with a utility room, a service toilet, as well as a master bedroom with dressing room, bathroom and terrace. On the same floor there is also a floor for staff, which has a living room-kitchen, bedroom, bathroom and a small terrace.

Going up to the first floor we find four more bedrooms (all with private bathroom), two dressing rooms, a covered terrace and a terrace with sea views.

On the second floor we have a living room, a bedroom with bathroom and a large terrace with views of the sea on both sides.

The third floor, which houses a tower, offers the best views in all of Alicante and allows you to enjoy sunrises in the sea and sunsets behind the mountains.

The lower ground floor of the house has a huge living room (currently used as a play area), a bedroom, a bathroom with sauna, a library, an office, a large kitchen equipped with a barbecue and a wood-burning oven where you can enjoy the best meals with the family or friends, a dining area, cold rooms, a technical room and a private garage for four cars.

If we continue descending, we reach the basement, where we find an authentic winery.

The house is equipped with an oil-fired boiler, electric shutters in all rooms, a safe, parquet in the bedrooms, marble floors in living rooms and corridors, gray slate stone ceiling, air conditioning systems and much more.

The outdoor area has a private pool and garden area with palm trees, lemon trees, olive trees and abundant plants.
