The spacious American-style designer kitchen is integrated into the living room and comes fully equipped with a large island that serves as a work area, as well as a bar-style dining area. From the same living room, you can access the master bedroom with its own dressing room and its private bathroom with shower and bathtub.

Outside, there is a large garden with sea views and a large swimming pool and a chill-out area with a Balinese bed, to enjoy the views at sunrise and the surroundings. It also has thirty palm trees, a summer kitchen with barbecue and gazebo and a large parking area.

In addition, to the other of the villa there is a private apartment with its own entrance that houses a living room with a small kitchen, a bedroom and a complete bathroom. It is ideal for guests, for the service or with the option of tourist rental.
