Detached villa , ready to move into, with 5 bedrooms, pool and double garage, on a 2090 m² plot for sale in Vistahermosa, 7 minutes from the centre of Alicante.

Lucas Fox presents this wonderful independent villa for sale, in a quiet area, close to the city centre , close to good schools and next to several shopping centers.

We access the property through the large garden, with mature trees and various areas for your enjoyment. The garden requires little maintenance. The property has a beautiful architecture and is distributed on one floor plus a large office on the first floor.

Upon entering the property, we access the double-height main entrance hall and right in front we have the large living room with its fireplace and access to the porch and terrace, a beautiful and cozy place that invites us to rest in the afternoons, surrounded by family and friends. .

On the right side we have the large kitchen with dining area, right in the centre of the property, well connected to the main living room and with access to the outside, to the terrace and the pool area. Next to the kitchen we have the large laundry room with direct access to the garden, the guest toilet and a door that leads to the garage with space for two vehicles that, if necessary, can be converted into one or two bedrooms.

From the same entrance hall, on the left side we have three secondary bedrooms with good windows and lots of light, as well as the master suite, with lots of light, a private bathroom and a dressing room.

Going up the stairs, we arrive at an area that could have several uses: a large room with a terrace with great views and its private bathroom, as well as access to another good-sized terrace. Among its uses, it can be converted into another bedroom or office.

As main characteristics, the house has a total area of 537 m², with 345 m² for property. It was built in 2003 and enjoys good insulation for both winter and summer in Alicante.
