OVERVIEW

Fabulous 50-hectare mansion with vineyards, equestrian facilities and tourist license in Novelda, Alicante

Lucas Fox presents a fabulous plot of more than 40,000 m² located at the foot of the Serrega Largab mountain in Novelda, which protects it from the north winds. The traditional 19th century Mediterranean mansion offers a unique combination of classic and timeless charm alongside modern comforts with magnificent vineyards, century-old trees, extensive equestrian facilities, a 25-metre modern swimming pool, three artificial lakes with fountains and a tennis court. These infrastructures, made for your relaxation and enjoyment, surround a mansion of 2,500 m² and are visually impressive.

This exclusive, timeless mansion is distributed over two levels and has a charming Andalusian patio that maintains a pleasant temperature during the summer months. The patio connects three different areas of the main floor: the living rooms with access to the sleeping area on the first floor, the imperial dining room with an industrial kitchen, and a billiards room, which can be accessed by an impressive spiral stone staircase with views of the orange trees and a garage area of the museum with carriages and an exhibition window.

The house is built with solid wooden beams and stone, which creates a warm and welcoming atmosphere. In the spacious guest area with high openwork stucco ceilings and two fireplaces, you will find plenty of natural light thanks to the panoramic windows to the garden and direct access from the porch to another patio covered with hundred-year-old pine trees.

On the same level we will find a kitchen and a classic carved staircase with access to a space with 5 Provencal-style bedrooms for the refined taste of any guest that have stunning views of the gardens, lakes and vineyards. Each bedroom with a fully equipped bathroom.

On the opposite side of the house, separated by a central patio, we find a dining room that emphasizes the opulent character of this property with a separate bar area, adjoining fireplace and industrial kitchen. On the same floor with an independent entrance we find 2 guest bedrooms, with access to a sunny terrace.
