### OVERVIEW

**Design villa with 4 bedrooms and lots of space in the day area near Playa Muchavista. 350 m2 built on a 1000 m2 plot . A charm in a wonderful area, near the sea!**

A fantastic property, near the sea, in an area very well connected to the highway and the centre of Alicante - to live quietly, in peace, in a new, designer villa , with great attention to all details!

We are pleased to present you this unique property, developed on a 1000 m2 plot - a detached 2-storey villa with 4 bedrooms, plenty of indoor and exterior space and high-end qualities.

The developer has opted for premium finishes, an aerothermics system for hot water, an air conditioning system, underfloor heating heating, exterior carpentry with a gas chamber and thermal bridge break, etc.

The bathrooms and the kitchen come fully furnished, the house only needs furniture to move into!

The villa, energy class A, is ready to let its new owners enjoy its charm in July!

Are you thinking of giving yourself and your family a treat this summer? Think about this property and let's schedule a visit! It is a truly incredible villa and it would be a shame to let it slip away.
