OVERVIEW

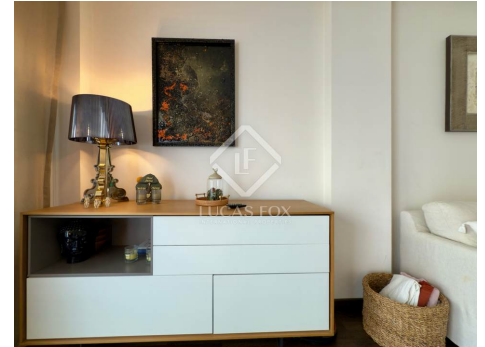

A wonderful home, with a pool, for a family who wants to live in a villa, close to the beach and well connected to the city!

We present a wonderful detached single-family villa , located less than 2 kilometers from Muchavista beach, in the highly sought-after area of La Font!

This is a 3-bedroom, 3-bathroom villa spread over two main floors, plus a huge, well-lit and ventilated basement. This semi-basement currently serves as a multipurpose room but could also be transformed into a living room and several bedrooms, if necessary for a larger family. Upstairs, on the second floor , we find a spacious solarium with 360-degree views of the Alicante mountains and a visual connection to the sea.

The property stands out for its spacious and bright living -dining room, the very quiet and safe area, the gated community that benefits from a children's play area and a paddle tennis court! And for its cozy renovation - the owners are always striving to improve the space and give more value to the exterior space, which now has a good-sized swimming pool, a guest toilet with shower, terraces with electric pergolas, a shaded barbecue area, the main garden area with artificial grass, and all plants with drip irrigation for easy maintenance!
