OVERVIEW

In El Campello, this two-bedroom apartment features a sunny terrace and Mediterranean views. Ideal for year-round living or enjoying.

For sale for €369,000, this magnificent property is located in the exclusive area of Playa Muchavista, in El Campello, one of the most prized enclaves on the Costa Blanca for its tranquility, its wide, fine sandy beach, and its excellent connections to Alicante and other nearby towns.

Located on the third floor of a building with an elevator, this property is part of a well-maintained private development with a swimming pool, communal areas, and practically direct access to the beach, just 2 meters away. A true gem for those looking for beachfront living or a second home with all the amenities.

The apartment was completely renovated in 2025, using high-quality materials and a contemporary design that combines functionality and style. It features two double bedrooms with built-in wardrobes, two full bathrooms (one en suite), and an elegant, fully equipped open-plan kitchen that integrates into the spacious living-dining room, creating an ideal space for everyday living or entertaining.

From the living room, you can access a private terrace with unobstructed views of the Mediterranean Sea, a perfect spot for breakfast in the sun, reading, or simply relaxing while listening to the sound of the waves.

Thanks to its orientation and layout, the property enjoys plenty of natural light throughout the day. It also features air conditioning, new flooring, double-glazed windows, and other details that enhance comfort.
