## Bright & Spacious Fully Renovated Apartment with Sea Views – Second line Playa San Juan

A bright, fully renovated 4-bedroom apartment (including a master en-suite), designed in a Scandinavian style, featuring an open-plan kitchen and a spacious L-shaped terrace by the sea.

Beautiful 4-Bedroom Apartment Just One Row Back from the Sea!

This corner apartment, fully renovated, blends modern style with Scandinavian-inspired functionality. The open-concept living area integrates the kitchen and dining space, enhanced by elegant finishes and preserving an original feature wall and natural wooden elements that together create a perfect symphony of authentic charm and contemporary design.

The L-shaped terrace offers space for both a large dining area and a comfortable lounge zone—perfect for soaking up the sun and enjoying the sea breeze.

Inside, you'll find three spacious bedrooms plus a master suite, along with two full bathrooms and a guest powder room. There's also a laundry room with extra storage space and a generous entrance hall that adds convenience and order to daily life.

The kitchen is a real highlight: a beautiful, bright marble countertop sets a luxurious tone, complemented by a Siemens oven and microwave-in-one for sleek, high-end cooking convenience.

The exterior grounds are lush and natural, with plenty of trees and shaded areas around the pool—ideal for relaxing. The community also includes a football pitch, a children's playground, and a resident concierge, reflecting a well-maintained and secure environment.

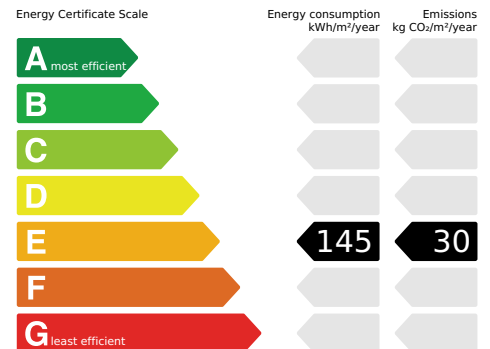

Located in the heart of Playa de San Juan (Alicante)—currently one of the most sought-after areas—with excellent tram connections to the city center.

Just a 60-second walk to the beach, surrounded by a wide range of restaurants, cafés, and shops. Right in front you'll find the tram (Lines 4 and 5), and during summer, the TRAM runs overnight on weekends too.
