€750,000 House / Villa - For sale - New listing

Excellent 4 Bedroom house / villa with 130m² garden for sale in Alicante ciudad

Stunning, very spacious semi-detached villa next to the centre and the sea, boasting excellent quality and finishes, with over 400 m² of living space in one of the best residential areas in the city!

This wonderful villa is located in Vistahermosa Norte, one of the most exclusive and sought-after residential areas in Alicante!

From the street, we access one of the property's two private gardens, an ideal space complete with a barbecue area. From here, we enter the main floor of this semi-detached villa, whose interior immediately captivates with its magnificent spaciousness, high ceilings, and exceptional natural light. Opposite is the large living-dining room, an elegant space with a fireplace and direct access to the covered terrace and the second private garden of the house, perfect for enjoying the Mediterranean climate.

The main floor is completed by a large, fully renovated separate kitchen. It features a modern design, is furnished and equipped with high-end appliances, has ample storage space, and direct access to the garden and barbecue area.

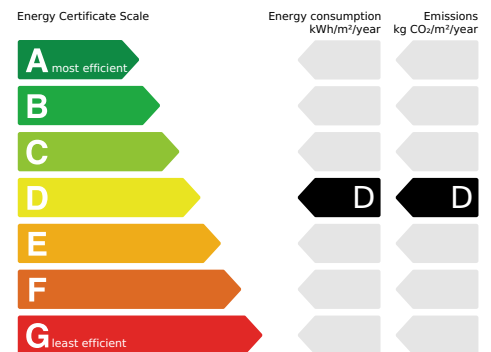

The upper floor houses the bedroom area. Here, the highlight is an exceptionally spacious main bedroom with a large dressing area, an en-suite bathroom with double sinks, and a generous covered terrace offering unobstructed views of the pool and green areas. This same floor also features three additional bedrooms, all generously sized, with built-in wardrobes and access to their respective terraces, and a shared bathroom with a bathtub.

The second floor consists of a spacious and bright attic divided into two rooms and an open terrace. This versatile space is ideal as a work area, games room, or for creating two additional bedrooms with one or two bathrooms. Finally, we went down to the basement, which houses a convenient double garage with room for two vehicles and a practical storage room area. Among the strengths of this semi-detached villa are gas central heating with radiators and pre-installation for air conditioning throughout the property. It is worth noting that the property has been renovated to a very high standard.
