99m² Floorplan

OVERVIEW

Apartment with 2 bedrooms and 2 bathrooms for rent for a period of 1 year, located on the first floor of a building in the heart of Alicante.

Apartment located on the first floor of a building with a lift, shared entrance and only two neighbours. There is the possibility of acquiring a garage space in the same building for an additional price, which is a real privilege in this area.

The apartment is completely renovated and has two bathrooms and two bedrooms.

Upon entering, to the right there is a complete bathroom and a corridor that leads to the living room with the open kitchen. This space enjoys a lot of natural light, thanks to the good orientation of the building.

To the right, we find a double bedroom with a built-in wardrobe, while to the left of the living room, the hallway leads to the master bedroom, with a dressing room and a private bathroom. This bedroom has a very large closet and access to a totally private and interior terrace with space for more than a simple table. In addition to decorating it with plants, you can also comfortably sunbathe and enjoy the good weather in complete privacy. The spacious private bathroom includes a shower and a door leading to a storage room.

The storage room can also be accessed via the landing on the same floor, since it is next to the lift. You can use it to store a large number of items, even a bicycle.

Finally, there is an option to rent a garage space for a price of 80 euros per month.

Please call us to arrange a visit.
