OVERVIEW

A new development of Apartments for sale in Finestrat, Costa Blanca with a starting price of €359,900

This project of 28 luxury houses is located in Finestrat, Benidorm, in a privileged location between the sea and the mountains, next to Terra Mítica, in an area with several luxury hotels and a fantastic golf countryside. All this, one step away from the amenities offered by the city of Benidorm. In addition, it is very well connected, with direct access to the AP-7 motorway, the national N-332, and with access to the tram that connects Alicante city with Benidorm. In this residential complex, you will be only 5 minutes from the largest shopping centre on the Costa Blanca, 10 minutes from the beach and 35 minutes from Alicante airport.

The houses in the project have a surface area of 224 m², with three bedrooms, three bathrooms, several solariums and a private pool on a plot of approximately 500 m². They are created to enjoy the spectacular climate of the Costa Blanca. All the homes have been designed to provide privacy and comfort to their owners, with wide open spaces and large windows that flood the property with natural light.

Each property has its own private pool, as well as access to the community areas with a large pool designed as an oasis. Thus, you can choose between relaxing in the privacy of your home or socializing with the neighbors in the communal areas, which makes this residence ideal for both a couple and a family with children.

You will be able to enjoy the incredible quality of life that these houses offer from December 2021.
