OVERVIEW

Impeccable detached villa, with a lot of character and personality, ideal for families or as a retreat, for sale in Altea.

Lucas Fox presents this villa built on a 1,390 m² plot. It has easy access to all services, restaurants, shops, golf courses, yacht clubs and beaches and is located just 5 minutes from the highway that connects with the centre of Alicante in 30 minutes and with the international airport in 40 minutes. In the opposite direction, we arrive at the Valencian capital.

This luxury home has a total built area of 388 m² and a terrace of 244 m². It is located in one of the best areas of Altea, fully facing north and south, offering unrivalled views of the entire bay and the mountains.

The house is distributed over three floors. On the ground or main floor, we find a hall that connects us with a large, complete and fully equipped kitchen with a very comfortable central island, perfect for having breakfast or preparing endless dishes. Next, we find the beautiful living room, ideal for having tea and receiving friends and family or to enjoy a pleasant apéritif, while we contemplate the views that its large windows offer us. Then we have a spacious living-dining room where we can enjoy great dinners, all with a lot of character and with a classic fireplace to use on the cooler winter nights. This area gives us direct access to the terrace where we find the pool with a perfect location and the best views of the sea, while sunbathing.

On the upper floor there are four bedrooms: three doubles, plus the master bedroom with its spacious private bathroom that offers us a jacuzzi, shower and double sink.

On the lower floor, we have a totally free area, ready to develop it to your liking. It can be transformed into an apartment with its own independent access, ideal for teenagers or elderly relatives.

This impressive house offers us an open garage with capacity for four cars and a covered one with capacity for another two cars. The house has radiators and air conditioning.
