New build 3 Bedroom apartment with 80m² terrace for sale in Benidorm Poniente, Costa Blanca

New construction 3-bedroom apartment with an 80 m² terrace for sale in Benidorm Poniente.

Lucas Fox presents this modern apartment located on the beachfront, with impressive views of the entire bay, in Benidorm Poniente.

The house has a total area of 225 m², with a total built area of 129 m² and a terrace with its 24 m² infinity pool with beautiful views of the sea.

The apartment boasts a great interior design with great attention to detail, as well as a practical distribution with great fluidity between the different rooms. It has three bedrooms and two bathrooms, an open-plan kitchen, which communicates with the spacious living room with beautiful views of the sea and access to the terrace and pool.

The house is located in Benidorm Poniente, with the longest beach in the municipality with more than 3 kilometers in length: a beach of fine sand classified as a blue flag, ideal for walking along its shore. It has a quieter character than Levante and concentrates national tourists to a greater degree. It is an urban beach that has a promenade that houses a large number of restaurants, bars and venues for the enjoyment of tourists.

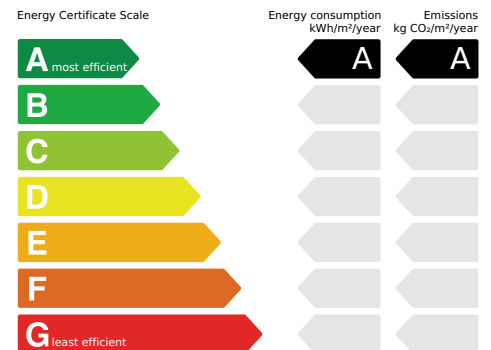

Benidorm Poniente is a unique place, with a wonderful natural environment that protects the city and its modern skyscrapers. In addition, it offers incredible views from any corner.
