Lucas Fox presents this new build development, an architectural marvel, in the heart of Benidorm. This imposing skyscraper, designed by renowned architect Roberto Pérez-Guerras, stands as the tallest building in the city and one of the tallest in Spain.

The building has a height of 200 meters distributed over 47 floors, offering panoramic views that extend from the Mediterranean Sea to the Sierra Cortina mountain. Its exterior design, a combination of glass and steel, reflects modernity and elegance and stands out among the urban landscape of Benidorm.
