OVERVIEW

Extraordinary luxury apartment of 477 m² with stunning panoramic sea view, in one of the most privileged complex in the Sierra de Altea.

Situated in the Sierra de Altea well known to be a very privilege area, this luxury residential complex lies on a fenced 13,000 m² plot with 24-hour guarded security.

This exceptional property is for those seeking a luxury lifestyle. Take advantage of the beautiful Mediterranean garden, the spectacular swimming pool area with a large 200 m² lake-pool with an artificial white sand Caribbean beach and a fun children's pool. Excellent moments to enjoy with your family and friends.

The quality of this exclusive property is present in each and every one of the elements that form part of it.

From the entrance, you will be impressed by the extraordinary sea view over the whole bay of Altea. You will cross the very large living room of around 60 m² with an impeccable interior design. Basically, one of the walls is made of first-class sliding glass fittings that give access to the huge terrace of 100 m² with a private jacuzzi.

Altea's mild climate allows enjoying open spaces all year around. That is why the terrace is large, private and facing the Mediterranean, endowing the apartments with the best panoramic views of the Costa Blanca.

The flooring is made of all-weather wood by IPE® and the flowerpots are perfectly integrated in the building's structure.

Back inside, the open kitchen also offers beautiful sea views. This modern design kitchen is made of high-gloss lacquered furniture and it is equipped with top quality Miele® appliances.

By taking the corridor that serves the night area, you will have 3 bedrooms offering fantastic sea views, bright and ample spaces, direct access to the main terrace and large fully fitted wardrobes.

The spacious 50 m² master bedroom offers a walk-in wardrobe and a large ensuite bathroom.

The 3 bathrooms are very large and offer walk-in showers, double washbasins and bathtubs. The master bedroom also includes a freestanding bathtub.

All bathrooms are equipped with Duravit sanitary ware, countertops by Corian, taps by Hansgrohe® and wall tiling by Trend.

Every effort has been made to maximize the comfort of this luxury apartment, including air conditioning hot and cold system and central heating with radiators throughout.

A home automation system, controlled via electric switches and automation pads, touch screen from any PC connected to the property network, controls the video camera intercom access system and enables redirection of video intercom calls to mobile phones or landlines.

There is also a spacious covered garage that holds several vehicles and a large storage area, all together totalling approximately 100 m². This area is restricted exclusively for homeowners of the same particular floor.

This elegant residence offers the comfort of being just at 10 minutes away from the beaches, two ports where luxury boats are moored, and the palm-lined seafront esplanade, a wonderful place for spending evenings out for a dinner or a drink on one of the many terraces.
