#### **OVERVIEW**

# Walking distance to the beach of Cala de Finestrat, exceptional apartment of 315 m<sup>2</sup> with sea and mountain views, elegantly restored with 4 bedrooms, 3 bathrooms, terrace and parking, pool and a tennis court.

Located 200 metres from the sea in Cala de Finestrat, this large apartment has been completely renovated recently with good taste, offering quality finishes in each of the rooms. The union of 2 apartments has allowed the creation of generous spaces. The windows have been changed to obtain better thermal insulation and let the light enter the entire property.

One of the main assets of this property is that it has a very nice sea view from the living room, the kitchen, the master bedroom and the outside terrace and a view of the Finestrat hills from the covered terrace. During the day, you will always find a place to enjoy these views without being directly overlooked.

The first impression is one of elegance and comfort, the materials are of high quality, the colours are harmonious and neutral, allowing you to add your own personal touch to the decoration.

You will be immediately attracted by the sea view that can be admired from the living room. The colourful kitchen opens onto a beautiful covered terrace with large windows leading to the solarium terrace with a barbecue.

The 4 bedrooms are very spacious and the 3 en-suite bathrooms are equipped with a walk-in shower and a bathtub for the main bathroom.

The apartment is also equipped with a secure door and reversible air conditioning.

A parking space is included in the sale price.

Finally, the building has a garden, a large swimming pool, a playground for children, a tennis court, a football pitch and a petanque court.

There are shops, restaurants and a small supermarket around the building.

The area is well served by public transport.
