OVERVIEW

Villa in Altea Hills with exceptional sea views, completely renovated property with a contemporary design, 4 bedrooms, 3 bathrooms, swimming pool. A turnkey house

Renovated villa with open sea view in the gated community of Altea Hills. This exclusive complex features private security, beautifully landscaped common areas, and a new 5-star hotel complex starting operations in 2024, making it one of the most sought-after areas in Costa Blanca.

Thanks to its elevated position, this property offers some of the best panoramic views of Altea from all rooms. From the pool, you can enjoy the impressive panorama of Altea Bay, surrounded by picturesque mountains covered with Mediterranean pines. The sunny plot spans a generous 1090 sqm and is ready for a tropical garden or recreational area installation. It also includes ample parking, partially covered and uncovered, for 5-6 cars.

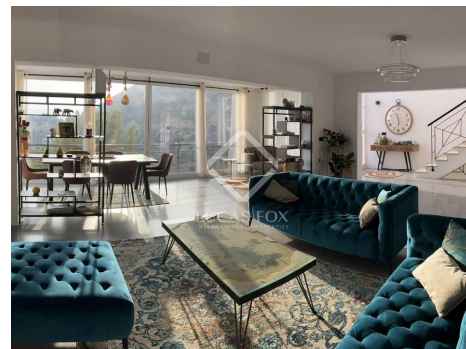

The property was renovated in 2022, featuring a new kitchen, high-quality designer bathrooms, large format tile floors in the living room, and new white lacquered windows and doors. The property offers the new owner the opportunity to personalize it according to their preferences.

The house is distributed over two floors, with the option to add a basement.

On the main floor, there is an open-plan living-dining area and kitchen, one bedroom, and a spacious full bathroom with a shower.

On the lower level, there are 3 bedrooms, including a master suite with its own bathroom and dressing room. Additionally, there is a bathroom with a bathtub shared by the other 2 bedrooms. The bedrooms have access to the southwest-facing terrace, pool, and chill-out area. All rooms offer stunning views of the sea and mountains.

This villa is a unique opportunity to acquire a property in a privileged location with magnificent views and the option to customize the outdoor areas. Ideal for both permanent residence and investment, this home offers luxury and comfort in one of Costa Blanca's most exclusive destinations.
