### OVERVIEW

## A new development of Apartments for sale in Finestrat, Costa Blanca with a starting price of €389,900

The bungalow block is a charming real estate gem that combines modern comfort with the Mediterranean lifestyle. This residential complex is made up of six homes, distributed over two levels, with each level offering a unique approach to satisfy the needs and preferences of its residents.

On the ground floor level, we find three bungalows, each of which has a spacious terrace. These terraces are a versatile space that offers the exciting possibility of installing an individual pool, adding a touch of luxury and outdoor relaxation. Imagine enjoying a refreshing dip in your own pool on a sunny day or relaxing by the water on a warm night. Additionally, these terraces are also ideal for creating a personalized outdoor environment, whether for alfresco dining, sunbathing or simply enjoying the surrounding landscape.

The three properties on the upper level, on the other hand, have individual solariums. These rooftop spaces are ideal for sunbathing in complete privacy, enjoying al fresco dining under the stars or simply relaxing with panoramic views of the surrounding area. The solariums are the perfect place to contemplate the sea views or enjoy the Mediterranean breeze.

In addition to the private amenities of each property, the residents of this block of bungalows share communal areas with two other bungalows with similar characteristics. Here, you will find a community pool that offers a refreshing and social way to relax. Surrounded by beautiful gardens, the pool becomes a meeting point where neighbors can enjoy the sun, swim or simply chat and relax.

This block of bungalows is located in a privileged residential environment that guarantees tranquility and comfort. The well-kept communal areas and individual pool or solarium options make it an exceptional place to live or enjoy as a second home on the beautiful Costa Blanca.
