OVERVIEW

Luxurious and contemporary residence, 260m², sea views, integrated kitchen, master suite, sustainable with solar energy, and heated pool.

This impressive contemporary residence, built in 2016 and spread across 260 square meters over two floors, epitomizes the essence of luxury and comfort. Situated on a 925-square-meter plot, it offers a sublime living experience.

Upon entering the main floor, you're greeted by a spacious lounge that opens up to a spectacular seascape, seamlessly connected to a terrace embracing a sparkling pool. The fusion of interior and exterior becomes a harmonious dance of panoramic views and relaxing outdoor spaces.

Strategically positioned on this floor, the kitchen isn't just functional but also seamlessly integrates into the contemporary design, offering a unique culinary experience. Additionally, a guest bathroom completes this floor, ensuring convenience for visitors.

Descending to the lower floor reveals a haven of rest with three exquisitely designed bedrooms. The primary suite stands out with its own ensuite bathroom and spacious walk-in closet, providing a private sanctuary. An additional double bedroom, also with a private bathroom, and a third room with similar amenities extend the sense of exclusivity and comfort for residents.

Innovation and sustainability intertwine in this property, evident through the installation of solar panels with lithium batteries, ensuring an eco-friendly approach and a reliable energy supply. The pool, treated with saltwater and heated, beckons enjoyment throughout the year, adding a touch of luxury and relaxation.

Undoubtedly, the views from this residence are absolutely spectacular, providing an incomparable backdrop that enriches the experience of living in this modern and exclusive home.
