OVERVIEW

Cosy property for sale in the old town of Altea with 4 bedrooms, sea view, and private garage.

Nestled in the heart of Altea's historic district, this charming house, built in 1900, offers an exquisite blend of historic charm and convenience. Situated just a leisurely five-minute stroll from the sparkling Mediterranean Sea, this home allows you to immerse yourself in the coastal lifestyle while being within walking distance of Altea's vibrant shops, restaurants, and bars. The location ensures that every window opens to breathtaking sea views, providing a serene backdrop that enhances the home's timeless appeal.

Entering through the top floor entrance, you are welcomed into a spacious hall that leads to four cosy bedrooms, each bathed in natural light and offering unparalleled views of the sea. This level also features an appointed bathroom, ensuring comfort and convenience for both family and guests.

Descending the stairs to the middle floor, you will find the heart of the home, a spacious kitchen, perfect for culinary exploration, whether preparing a casual breakfast or a festive dinner. The adjacent dining area is ideal for gathering with loved ones, while the living area offers a comfortable space for relaxation, surrounded by the ambiance of the house's historic charm. A second bathroom on this floor adds to the home's practicality.

The garage is located one floor down, and on the same level as the garage, you will discover another entrance to the house, providing added convenience and accessibility. This entrance opens directly into the garage, which not only serves as a storage area but also features a unique barbecue space. Here, you can indulge in cooking traditional Spanish dishes like paella, embracing the Mediterranean lifestyle with the warmth of the Spanish sun.

With two entrances, one from the top floor and another at the garage level, this home offers flexibility in accessing its various living spaces. Whether entering from the bustling streets of Altea or retreating to the peacefulness of the upper floor, this house seamlessly blends its historical essence with modern conveniences.
