Lucas Fox presents this exclusive four-bedroom apartment, located on the beachfront in Altea, with spectacular views.

The building, with contemporary and elegant architecture, has direct access to the sea. It also has a large communal pool surrounded by gardens, ideal for relaxing or sharing moments with the family. It is worth highlighting security, a priority in this residential area, which has controlled access by code, a concierge service and security cameras strategically located in the communal areas.

The interior of the apartment has been designed to make the most of natural light. Its intelligent layout offers an ideal separation between the common and private areas. The main living room is an open-plan space that connects to a private terrace, ideal for enjoying breakfasts outdoors. The modern kitchen has been renovated and offers views of the horizon.

The night area has four spacious and bright bedrooms. The main bedroom stands out, with direct access to the terrace, with sea views. This bedroom also has a private bathroom, with a modern design.
