OVERVIEW

New modern house for sale in Altea in a gated community, 4 bedrooms, 3 bathrooms, pool, private garage with the furniture included.

The gated residential complex stands out for its avant-garde architecture and natural surroundings, offering panoramic views of the Mediterranean Sea.

Each villa has been uniquely designed, making it a one-of-a-kind piece. It is surrounded by a light-filled environment, with spacious interiors crafted to provide maximum comfort. The materials used are contemporary, and the colours chosen for the villas are bright and elegant.

The main entrance is located on the upper floor, where the main bedroom and its en-suite bathroom are situated. Large windows allow abundant natural light to enter and offer stunning sea views. This space exudes a sense of calm and serenity, complemented by a private terrace perfect for enjoying the surroundings.

On this same level, there is a closed garage that provides convenience and security.

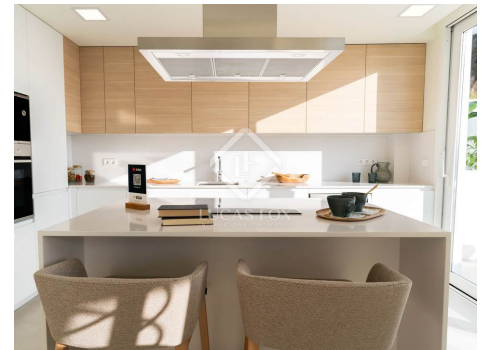

Both the stairs and the lift lead to the middle floor, where the daytime living areas are located. This level is characterized by a bright and open-plan space with direct access to the terrace.

On this floor, there is a comfortable living room and a dining area. The kitchen, equipped with a central island, is designed for preparing and enjoying meals with family or friends in a welcoming atmosphere.

The lower level, which can also be accessed by stairs or lift, features a room with high ceilings and glass windows that flood the space with natural light. From here, you can access the bedrooms, two of which have en-suite bathrooms and offer views of the wooded surroundings and mountains.

The main terrace is the perfect space to enjoy unforgettable moments, relax by the pool, or share a barbecue in a private and exclusive setting.
