Contemporary villa for sale in Finestrat with infinity pool and sea views

New build 3-bedroom villa in Finestrat with infinity pool, sea views, and modern open-plan design. New build project.

Exclusively presented by Lucas Fox, this sophisticated new-build villa is located in one of the most sought-after areas of Finestrat, where contemporary architecture, privacy, and a seamless connection with the surroundings come together in perfect harmony.

The property stands out for its clean architectural lines, modern volumes, and expansive floor-to-ceiling windows, creating a fluid transition between indoor and outdoor spaces while flooding the interiors with natural light throughout the day.

Distributed over two levels, the main floor features a spacious open-plan living area with a stylish lounge, dining area, and fully integrated open kitchen, designed for both everyday comfort and entertaining. This level also offers two double bedrooms and a full bathroom.

The outdoor area is undoubtedly one of the highlights of the property: beautifully landscaped gardens surround the villa, complemented by generous terraces, chill-out areas, and an outdoor dining space. A stunning infinity-style swimming pool blends seamlessly with the architecture, offering the perfect setting to enjoy the Mediterranean lifestyle.

The upper floor is entirely dedicated to the master suite, which includes an en-suite bathroom and access to a large private terrace with pergola, an ideal space to relax while enjoying open views and the natural surroundings.

This property is part of an exclusive residential development of only a few villas, ensuring privacy, high-quality finishes, and a strategic location close to all amenities and just minutes from the coast.

The project is currently under development, with building license granted and an estimated completion date of September 2027.
