Prices from €529,000 New development

Exclusive residential development of 18 homes on the seafront in Villajoyosa with contemporary design

A boutique project by the Mediterranean combining contemporary architecture, spacious terraces, privacy, and communal areas designed to enjoy the coastal lifestyle all year round.

This exclusive beachfront residential project comprises 18 meticulously designed homes offering privacy, spaciousness, and a living experience fully connected to the Mediterranean. Its prime location allows for unobstructed sea views, abundant natural light, and a constant connection with the coastal environment, making the landscape an essential part of each property.

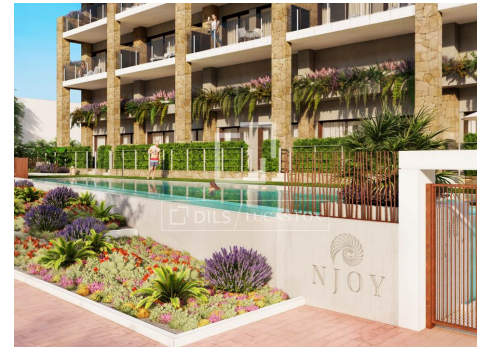

The contemporary architecture of the complex features clean lines, spacious terraces, and large windows that enhance the feeling of spaciousness and continuity between the interior and exterior spaces. Each property has been designed with a modern and functional layout, prioritizing comfort, natural light, and quality of life year-round.

The project also stands out for its boutique and exclusive character, offering a much more private and relaxed atmosphere than conventional residential developments. The selection of materials and finishes reflects a clear commitment to contemporary design, incorporating modern solutions focused on well-being, energy efficiency, and everyday comfort.

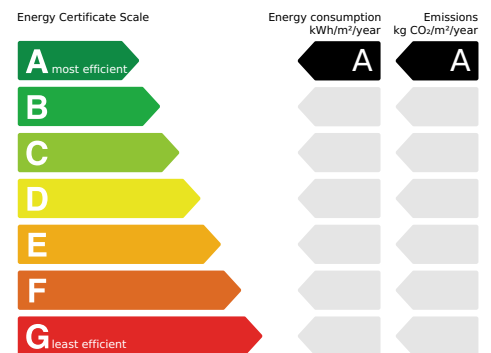

The communal areas have been designed to complement the Mediterranean lifestyle, with outdoor spaces dedicated to relaxation, wellness areas, and a panoramic swimming pool facing the sea. The entire complex exudes an elegant and serene atmosphere, ideal both for year-round living and for enjoying extended stays by the coast.

Overall, it is a modern and carefully designed residential development, where architecture, location and lifestyle come together to create a unique beachfront experience.

- Panoramic pool facing the sea
- Heated Jacuzzi
- Landscaped areas
- Spaces for relaxation and rest
- Exterior gym
- Residents' parking
- Pre-installation for electric vehicle charging
