Contemporary Townhouses for Sale in Finestrat with Terraces and Mediterranean Views

Contemporary 3-bedroom townhouses for sale in Balcón de Finestrat with private gardens, spacious terraces, communal pool, and bright modern interiors close to Benidorm and the beaches of the Costa Blanca

Set between the Mediterranean Sea and the dramatic silhouette of Puig Campana, This project in Balcón de Finestrat is a new residential development of contemporary 3-bedroom townhouses designed for relaxed, light-filled living on the Costa Blanca.

The project offers a collection of modern homes with built areas ranging from approximately 115 m² to 180 m², each distributed over two levels and created to combine comfort, practicality, and outdoor living. The architecture is clean and contemporary, with bright interiors, open-plan living spaces, and a natural connection to private terraces and garden areas.

Each townhouse features a welcoming main floor where the living room, dining area, and kitchen are designed as one open and functional space, ideal for everyday life as well as entertaining. This level also includes a guest toilet and direct access to the terrace and private garden.

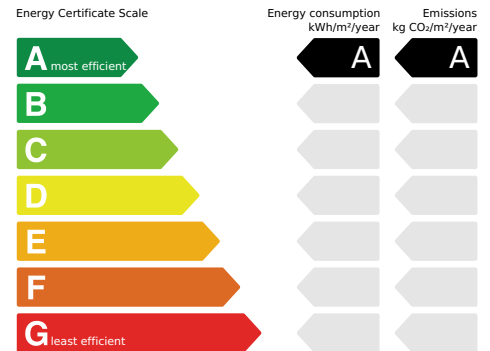

The upper floor is dedicated to the night area, with three bedrooms and well-planned bathrooms, offering comfort and privacy for families, guests, or second-home use.

Outdoor space is one of the key attractions of the development. The homes include spacious terraces of approximately 37–39 m², together with private gardens that vary depending on the unit, creating attractive areas for dining outdoors, relaxing in the sun, or enjoying the peaceful surroundings.

The communal areas include Mediterranean gardens and a swimming pool, offering residents a calm and pleasant environment close to nature.

With prices currently ranging from approximately €425,000 to €460,000, this is ideal for international buyers seeking a modern permanent residence, holiday home, or investment in one of the fastest-growing areas of the northern Costa Blanca.
