Key-Ready Newly Built Single-Level Modern Villa with Private Pool and Garden in Finestrat

Newly completed contemporary villa in Finestrat with private pool, landscaped garden, spacious basement, three bedrooms, two bathrooms and bright open-plan living, just minutes from the beaches, golf courses and all amenities.

Lucas Fox presents this beautifully designed newly completed villa in one of Finestrat's most desirable residential areas, where architecture blends seamlessly with the natural surroundings. Designed to embrace the Mediterranean lifestyle, the property combines elegant interiors, generous outdoor spaces and high-quality finishes, creating a home that is equally suited as a permanent residence, holiday retreat or investment on the Costa Blanca.

Designed entirely on one level, the villa offers a flow between indoor and outdoor living. Expansive floor-to-ceiling sliding doors flood the interiors with natural light while opening directly onto the landscaped garden, spacious terraces and private swimming pool, allowing every room to enjoy a close connection with the outdoors.

At the heart of the home is a bright open-plan living and dining area that integrates perfectly with the contemporary kitchen, fully equipped with premium appliances, elegant cabinetry and generous workspace. Whether entertaining family and friends or enjoying quiet evenings at home, this welcoming space has been designed for comfortable everyday living.

The sleeping accommodation has been separated from the living area to provide privacy and tranquillity. The principal suite benefits from its own en-suite bathroom, while two additional double bedrooms share a stylish family bathroom. Both bathrooms feature underfloor heating, adding comfort throughout every season.

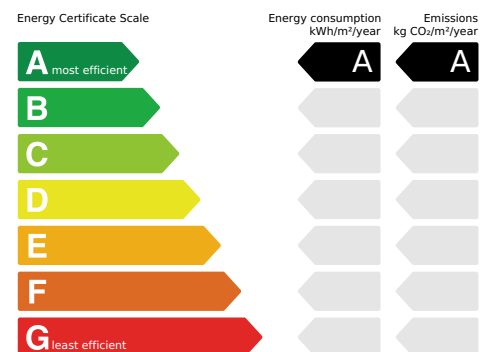

The exterior has been designed to make the most of the Costa Blanca climate. The private swimming pool forms the centrepiece of the landscaped garden, surrounded by generous terraces that provide the perfect setting for outdoor dining, relaxing with family, or simply enjoying the sunshine throughout the year. Every outdoor space has been planned to offer both privacy and low-maintenance living.

A spacious basement further enhances the property's versatility and offers endless possibilities. It can easily be transformed into a private gym, home cinema, games room, wine cellar, office or additional leisure space, adapting to the lifestyle of its future owners.
