## New-build villa with a private pool in a natural setting in Finestrat

**Expected completion in the fourth quarter of 2027. Single-floor property with three bedrooms, garden, private pool, terraces and parking.**

Nestled at the foot of Puig Campana, just minutes from Benidorm, lies this new build villa , all on one floor. The property has been designed to offer comfort, privacy, and a seamless connection between the interior spaces, terraces, and garden.

The tour begins next to the parking area, which has space for two vehicles and provides easy access to the house. Upon entering, you'll find a spacious open-plan room that integrates the kitchen, dining room , and living room. The kitchen, arranged in a linear fashion with a central island, maintains a practical and open layout . The dining room occupies the central part of the space, while the living room opens onto the terrace and garden, maximizing natural light.

On one side of the property are two bedrooms with wardrobes and a shared full bathroom . At the opposite end is the main bedroom, which has wardrobes and an en-suite bathroom , creating a more independent and private area.

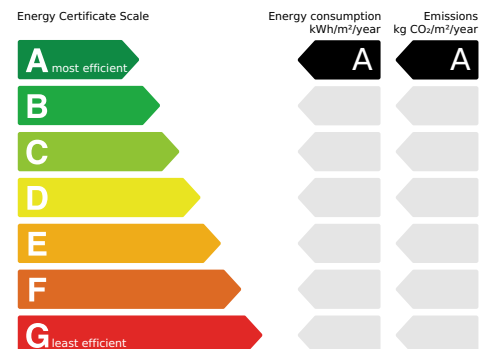

From the day area, there is direct access to several terraces, designed for al fresco dining or enjoying the Mediterranean climate. The garden surrounds the property and leads to the private swimming pool, with a sunbathing area around it.

The villa is part of a low-density residential complex with controlled access and energy-efficient features. Its location offers a peaceful, natural setting while maintaining easy access to beaches, golf courses, shops, and amenities in Benidorm and the surrounding area.
