OVERVIEW

Exclusive 5-bedroom house with high quality finishes and wonderful mountain views, for sale in one of the most prestigious communities in Andorra, within the parish of La Massana.

This beautiful house sits in a hillside position in one of Andorra's most exclusive urbanisations, with spectacular mountain views and every luxury to make the most of this picturesque setting all year round.

The house covers three floors, all connected by a lift as well as stairs, and has extensive outdoor spaces that are perfect for relaxing and entertaining. These include a terrace and garden area that surrounds the house, a barbecue area and an extensive upper garden that is accessible from the lower level via a staircase.

Inside, the lower level has a spectacular multipurpose room, complete with kitchen and glass-fronted wine cellar. This is currently used as a games room but would also make an impressive studio, home cinema or gym. Next to this, on show through a spectacular glass wall, is a wonderful heated indoor pool and Jacuzzi, illuminated by natural light flooding through a skylight.

This level also has a large 5-car garage as well as a storage room, technical room, laundry room and bathroom.

The middle floor has a very spacious and bright living space with lovely views. The equally impressive kitchen is also very large, with a breakfast bar and dining area. Both spaces have direct access to the terrace that surrounds the house. Another room is used as an office but is next to a bathroom and could easily become a fifth bedroom.

Upstairs, there are 4 bedrooms including the master suite, with dressing room. All the bedrooms and bathrooms are very generous, beautifully finished and enjoy those views and/or access to the terrace. Stone, slate and wood finishes are beautifully executed and give a feeling that is warm, natural and traditionally Andorran.
