OVERVIEW

239 m² house distributed over 3 floors, with 4 bedrooms and 3 bathrooms in the quiet area of Cortals d'Encamp.

This magnificent new development offers high-end houses in one of the most peaceful areas of Encamp. They are ideal homes for a family, where you can enjoy great tranquility and privacy, without foregoing the proximity to the town centre, the ski slopes, and day-to-day services.

This 239 m² house has high quality finishes and a modern design with large windows offering unique views. Thanks to its orientation, it receives natural light throughout the day.

It is distributed over three floors connected by a lift and stairs.

The ground floor has two incredibly cozy spaces, with a spacious and bright living room on the west side, with a large space for the dining room, and a spacious open kitchen with quality design on the east side. This room also benefits from access to a wonderful 143 m² garden.

We go up to the first floor, which houses three comfortable bedrooms: the master suite consisting of a dressing room and a private bathroom with a bathtub, and two good sized double bedrooms with fitted wardrobes. There is also a complete bathroom with a shower that serves the last two bedrooms.

Finally, the main floor offers parking for two vehicles and a large hall with pedestrian access to the house.
