OVERVIEW

Magnificent home with spacious rooms and a terrace, for sale in the centre of Andorra la Vella. Includes parking for 2 cars and a storage room.

This fantastic apartment is located in the centre of Andorra la Vella, surrounded by all kinds of services. It is in an area with little traffic and isolated from the hustle and bustle of the city, so the property is very quiet, without giving up the convenience of having all the necessary services nearby.

It benefits from a very functional layout, with clearly differentiated day and night areas. The apartment has spacious and bright rooms, including its three bedrooms, and offers spectacular views.

As soon as we enter the home, we find a hall that leads to the different rooms in the day area. To the right of the entrance, we find the laundry room, with built-in wardrobes. Next is the kitchen, modern and very bright, thanks to its large windows. It is fully equipped with high-end appliances.

From the kitchen, we can access a spacious living room that, like the kitchen, has a large window that provides plenty of natural light during the day and gives access to a large terrace. From here, you can enjoy beautiful views of the mountains that surround the property and the centres of Escaldes-Engordany and Andorra la Vella.

Next, the night area is arranged, consisting of a master suite with its complete bathroom with shower and access to the terrace, two large double bedrooms with built-in wardrobes and a complete bathroom with a bathtub.

For your maximum comfort, it includes two parking spaces and a storage room in the same building.
