OVERVIEW

Cozy mountain house for sale in a very sunny residential area with incredible views of the Pal valley and the Vallnord ski resort.

Impressive 413 m² detached house located in a quiet and sunny residential area, close to the ski resort of Pal. It is a property with enviable light and views and plenty of space in all the rooms that make it up.

This magnificent single-family villa is characterized by its design and comfort at its best. The property has a lot of character and all the rooms have details and materials of good quality.

We access the property through a spacious and elegant entrance hall that leads us to various areas. First of all, we find a large garage with capacity for several vehicles. Next door, we have a room that could be used to store winter and summer clothes and equipment. An internal staircase or an lift with capacity for several people connects us with the rest of the floors.

On the first floor, the day area is located, with a large entrance hall that gives us access to a large open space that houses the living room and dining room. At the front, the living room area has a fireplace. This space gives access to a porch, to enjoy lunch and dinner with family and friends, and offers dreamlike panoramic views of the valley and the mountains that surround the area. On one side, there is a kitchen with a central island with a dining room area fully equipped with high-end appliances. Further on, a pantry, a bedroom set up as an office and a guest toilet complete this floor.

A staircase leads us to the second floor that houses the night area with a large double bedroom with its own bathroom, followed by two double bedrooms, each with a large dressing room, and one of them with access to the terrace that goes around to the property. A complete bathroom serves the two bedrooms and a very practical laundry area gives access to a private terrace with lots of sun.

On the third floor we find the master suite that occupies half of the floor and has a large dressing room, a full bathroom and a private terrace.

An ideal property for ski lovers, as it is next to the Vallnord ski area.
