OVERVIEW

Modern and spacious new build apartment with abundant natural light and incredible views for sale in an excellent location in Escaldes.

Lucas Fox is pleased to present Valley View, a fabulous new build development, made up of three towers with fifteen floors each, perfect for families. The development is located in a natural environment in Andorra, surrounded by mountains, but with all the amenities of the town of Escaldes within reach. Likewise, it stands out for offering families a sustainable and ecological space, as well as private.

This apartment has a modern design, with open, spacious and bright spaces. In addition, the decoration in neutral tones maximizes the feeling of spaciousness, while the large floor-to-ceiling windows that access to the terrace allow in abundant natural light and offer unique panoramic views.

First of all, we find an entrance hall that leads us to a spacious living-dining room with access to a 47 m² terrace and a fully equipped open kitchen. The floor is completed with a double bedroom with a private bathroom and a guest toilet.

A staircase next to the entrance of the property gives us access to the second floor, where the night area is located. Here, there are three double bedrooms, one of them with a private bathroom, as well as a full bathroom, an study and an 8 m² terrace.

Finally, we access the third floor, which houses a small storage room and a 104 m² solarium terrace, ideal for enjoying the beautiful views.

The property has excellent finishes and qualities. Includes armored door, pre-installation of a video surveillance system, porcelain stoneware floors and built-in wardrobes, among others. The kitchen comes fully equipped, with a central island or bar, Neolith or Silestone countertop, Santos brand furniture and Siemens brand appliances: induction hob, oven, microwave, refrigerator and dishwasher. For maximum comfort, it benefits from a centralized air conditioning system through ducts, underfloor heating and an air renewal system; All of this combined with windows and glass with aluminum carpentry with thermal break, with triple glazing and double air chamber to avoid temperature leaks.
