OVERVIEW

Luxurious and modern house with abundant natural light and incredible views for sale in an excellent location for ski lovers, in Pal, at the foot of the Grandvalira slopes.

Lucas Fox is proud to present 1550 Village Resort, an exclusive new build development with homes distributed in several sectors. The development is located in a privileged location in La Massana, at the foot of the Grandvalira ski resorts, in a natural environment, but with all the amenities within reach.

The property has a modern and functional design, with decoration in neutral tones that maximizes the feeling of spaciousness. In addition, it has large open spaces and large windows, which allow the entry of abundant natural light, making it very cheerful and welcoming. Likewise, it offers privileged views of the surrounding nature, a luxury to enjoy total tranquility.

This exclusive house has an area of 679 m². The underground floor houses the private garage, with capacity for five cars, the engine room, a small utility room and a 23 m² storage room. The day area is located on the ground floor. It consists of a spacious living-dining room, a fully equipped open kitchen with a central island, a guest toilet and a fabulous 87 m² terrace, perfect for disconnecting and relaxing. On the first floor we have a double bedroom with a private bathroom, two double bedrooms, a complete bathroom to serve them and an 8 m² terrace with access from all the bedrooms. Finally, on the second floor we find only the 41 m² main bedroom with dressing room room, private bathroom and exclusive access terrace, ideal for enjoying the views with the greatest privacy.

The property enjoys great qualities, for example, a security door, built-in wardrobes, porcelain floors, LED lighting and a home automation system that controls security, air conditioning, lighting and blinds. In order to ensure the creation of passive homes with total energy efficiency, it presents a mechanical ventilation system, high-quality carpentry with windows with double low-emission air chambers and an air conditioning and underfloor heating system powered by aerothermics energy. The kitchen and bathrooms are fully equipped. The kitchen has a central island with a Neolith countertop and Siemens brand appliances, such as a combi refrigerator, dishwasher, oven, microwave, hood and induction hob. The bathrooms have Villeroy & Boch brand toiletries with the best quality and freestanding bathtubs.
