OVERVIEW

Bright apartment with a modern design with 2 bedrooms and a balcony for sale in an exclusive new build development located a short distance from the ski slopes in Canillo, Andorra.

Lucas Fox is pleased to present the new build development Els Refugis Canillo, with high-end apartments in a privileged location, next to the historic centre of Canillo, with all the amenities within reach such as the cable car, but in a quiet natural environment, surrounded of mountains.

The building has four floors, among which the different types of housing are distributed. It stands out for its rustic style, with a slate roof and volcanic stone façade that gives it a characteristic style.

This apartment has a modern design, with neutral and soft tones and noble materials such as wood or marble, which make it very cozy. On the other hand, the property enjoys abundant natural light, thanks to its floor-to-ceiling windows that allow abundant natural light to enter the different spaces. In the same way, thanks to these windows, you can enjoy the impressive panoramic views of the surrounding mountainous environment.

The layout is very functional, with open-plan rooms, such as the day area with the living-dining room with the open-plan kitchen with a central island that allows the connection between the different spaces and takes advantage of the dimensions of the property. The night area has a double bedroom, the impressive main bedroom with its private bathroom and a dressing room, as well as a second additional bathroom to serve the entire property. To complete the layout, a pleasant balcony is offered.

In addition, the property has the best quality finishes and materials, such as anti-pry armored doors or built-in wardrobes. The floors are also of the best quality, as it benefits from Porcelanosa brand porcelain floors in wet areas, floating parquet in the rest of the property, ceramic stoneware on the balconies and synthetic flooring on the terrace.

The bathrooms include ceramic coating, toilets and Porcelanosa taps. For its part, the Nolte brand kitchen includes high and low furniture, Silestone countertops and all types of appliances.
