OVERVIEW

Modern and spacious new build apartment with abundant natural light and incredible views for sale in an excellent location in Escaldes.

Lucas Fox is pleased to present Phase II of Valley View, a fabulous new build development consisting of three towers, each fifteen stories high, perfect for families. The development is located in a natural setting in Andorra, surrounded by mountains, yet within easy reach of all the amenities of the town of Escaldes. It also stands out for offering families a sustainable, eco-friendly, and private space.

This apartment features a modern design, with open, spacious, and bright spaces. The neutral-toned decor maximizes the feeling of spaciousness, while the large floor-to-ceiling windows access onto the terrace allow for abundant natural light and offer unique panoramic views.

First, we find an entrance hall that leads to a spacious living-dining room with access to a 22 m² terrace, perfect for enjoying the beautiful views, and a fully equipped open-plan kitchen. Completing this area is a laundry room. The night area consists of two bedrooms, one with a private bathroom. A second bathroom serves the remaining rooms.

The property boasts excellent finishes and quality. It includes a security door, pre-installed video surveillance, porcelain stoneware floors, and built-in wardrobes, among other features. The kitchen comes fully equipped with a central island or bar, Neolith or Silestone countertop, Santos cabinetry, and Siemens appliances : induction cooktop, oven, microwave, refrigerator, and dishwasher. For maximum comfort, it benefits from a centralized ducted air conditioning system, underfloor heating , and an air renewal system; all combined with windows and glass doors featuring thermally broken aluminum frames, triple glazing, and a double air chamber to prevent heat loss.

The development offers its owners parking spaces and a storage room. It also features a heated pool surrounded by gardens, a sun terrace with views of the surrounding area, and a gym.
