€7,500 pcm. House / Villa - For rent - New listing

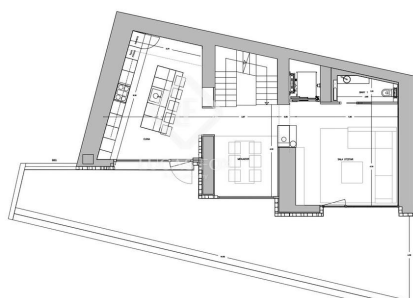

Excellent 3 Bedroom house / villa for rent in La Massana, Andorra

Exclusive newly built high-end townhouse with stunning panoramic views for rent in the Arinsal Valley.

Lucas Fox presents this majestic designer villa, conceived to exceed the most demanding expectations. This contemporary property has been meticulously designed with state-of-the-art finishes and the most exclusive materials on the market. Both its architecture and interior design have been custom-made.

On the ground floor, you are greeted by an impressive lobby with a marble floor. To the right, a garage offers space for one car, while a second garage, to the left, can accommodate two additional cars. This floor also features a spacious laundry area with extra storage space.

On the first floor, a designer living-dining room features a modern fireplace that separates the two areas. The double-height dining room is spacious and bright. The semi-independent kitchen is equipped with high-end appliances and marble countertops that add an elegant and refined touch. The entire room access onto a generous terrace. This floor also includes a guest toilet, strategically located to serve this day area.

The second floor houses the night area, featuring two magnificent bedrooms, each with its own en-private bathroom. All receive abundant natural light through impressive windows offering panoramic views of the spectacular Arinsal Valley and its surrounding mountains. The bathroom include designer fixtures and white marble finishes. One of the bedrooms has access to a private terrace. The high ceilings on this floor accentuate the spaciousness of the rooms.

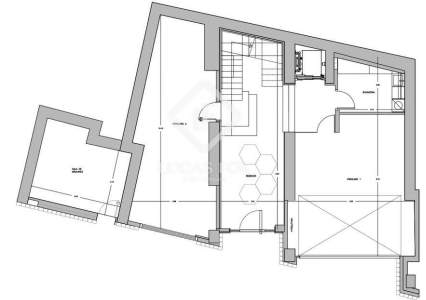

Finally, the top floor offers a stunning main bedroom with an en-private bathroom featuring a designer bathtub and the best views in the entire house. It also includes a separate dressing room with built-in wardrobes.

The villa's front facade is entirely glazed, allowing you to enjoy spectacular views from every room and make the most of natural light throughout the day. The entire property is equipped with a geothermal underfloor heating system, with individual thermostats in each room. Furthermore, the lighting throughout the house is connected to a home automation system to control different areas. The main entrance is equipped with a coded access system for added security.

This villa combines luxury, state-of-the-art technology, and cutting-edge design. Contact us for more information.
