OVERVIEW

New development of apartments, penthouses and duplexes with magnificent communal areas for sale in Diagonal Mar, Barcelona.

Lucas Fox presents this magnificent new development of high-end homes, designed by the award-winning architect Odile Decq, located in Diagonal Mar, one of the most exclusive areas of Barcelona. Diagonal Mar is a highly coveted area, next to the @22 district, known as the technology hub of the city, with all kinds of services within reach, excellent links to the rest of the city and close to the beach.

It is a stand-out residential tower block in Barcelona, with a unique design and an unparalleled range of services. The development offers its residents magnificent common areas, as well as 24-hour security and a concierge service. Among the communal areas, there is a sports area with a gym, spa and swimming pool of more than 1,000 m², an extensive garden, a multipurpose room with a golf simulator and a padel tennis court.

In the commercial space on the ground floor, you will have access to the Gran Café Rouge restaurant, with the famous chef Romain Fornell at the helm, while on the 27th floor, you will find a magnificent roof terrace with an infinity pool and solarium area, with the best views of all of Barcelona.

As for the properties, a total of 88 homes of different types are offered. Spacious apartments, penthouses and duplexes are offered between 100 and 227 m², with between one and four bedrooms, some with large private bathrooms. All of them have private terraces, storage rooms and parking spaces, included in the price.

The homes have a modern style in neutral colours and an open-plan design, with open spaces and floor-to-ceiling windows with access to the terraces, which let abundant natural light in, so that the apartments are very bright and cosy.

Among the finishes and features, we can highlight the bamboo wood parquet floors, fitted wardrobes, white lacquered doors. Likewise, a home automation system, LED lights and hot/cold air conditioning have been installed. The kitchens come equipped with islands and built-in Miele appliances. The bathrooms have taps from the Dornbracht brand and finishes from the X-Light range by Porcelanosa.
