OVERVIEW

AQ Urban Sky, a fantastic new development with 2 and 3-bedroom apartments for sale in the heart of Malaga.

Lucas Fox presents AQ Urban Sky, our most innovative and modern commitment to new-build homes in the heart of Malaga, with spectacular height, lighting and unbeatable views.

The location is perfectly connected to the historic centre and with all kinds of services such as hospitals, schools and institutes, shopping centres and sports areas, surrounded by pedestrian spaces to walk and relax after a long day or to get active in the morning. This development is perfect for those who enjoy an urban lifestyle, with everything they need to reconcile home and family with work, and to be able to enjoy shopping and endless events and plans to make the most of every second.

Each of the AQ Urban Sky apartments for sale in Malaga follows a careful aesthetic in which urban, exclusive and functional design is the protagonist. The project is made up of apartments with two and three bedrooms, so that clients can choose according to their space needs.

AQ Urban Sky will be one of the tallest buildings in Andalusia, offering unrivalled views and a lot of privacy. In addition, it will offer exclusive common areas, such as laundry, coworking and multipurpose rooms, gastrobar, cinemas, commercial proposals, private pedestrian spaces and bike lanes within the environment. All of them, managed through an app so you can get the most out of it.

In addition, its exclusive pool with a rooftop terrace enjoys spectacular views of the city and large green areas, to be in contact with nature and enjoy those special moments with your loved ones. All the leisure you can imagine and more without having to travel. Finally, the homes include a garage and storage room in the price.

Contact us for more information and to get to know in depth the residential complex tailored to your needs.

Highlights:

- 2 and 3-bedroom apartments
- Modern and functional design
- Excellent quality finishes
- Tallest building in Andalusia with unbeatable views
