OVERVIEW

Exclusive development of 3 luxurious new homes with 1 bedroom and areas of up to 83 m² for sale in Eixample Derecho, Barcelona

Welcome to Aragón Homes, an exceptional opportunity to acquire a new build apartment in the prestigious Sagrada Familia neighbourhood, in the vibrant Mediterranean city of Barcelona. Strategically located just 100 metres from Avenida Diagonal and within walking distance of Gaudí's iconic Basilica, this project stands out for its sophisticated and luxurious design, combining the rich history, culture and art of Catalan modernism with the comforts of a high-end residence.

The project consists of two one bedroom apartments with a constructed area of between 63 and 83 m², meticulously designed to maximise natural light and the integration of spaces. Each unit features a modern and warm style, with carefully selected furniture and double-glazed openings with thermal bridge in black aluminium, ensuring a cosy and contemporary atmosphere. The large windows face Aragón Street and provide abundant natural light to the spaces.

The high-quality kitchens are fully equipped with top-brand appliances and elegant white Calacatta marble countertops. The bathrooms feature a modern design, with microcement walls and natural oak floors, as well as integrated shower trays and countertop washbasins in matte black.

Aragón Homes also stands out for its energy efficiency, thanks to the air conditioning system that uses aerothermics technology and guarantees excellent thermal and acoustic insulation. All units are equipped with completely new installations, including electricity, plumbing and telecommunications.
