OVERVIEW

A new development in Axarquia, Malaga offering light-filled 2 and 3-bedroom homes with large terraces, first floor apartments with private gardens and penthouses with panoramic rooftop terraces.

Bali is the most recent addition to the #PUREDESIGN collection by Kronos Homes. It is an elegant apartment complex in the beautiful natural surroundings of Rincón de la Victoria, in the eastern section of the Costa del Sol. The first phase offers 36 two and three-bedroom apartments set within lush gardens with views across the surrounding countryside and down to the Mediterranean Sea.

The apartments enjoy high-end finishes and quality design features including open-plan living areas and large, panoramic terraces, which blend the interior and exterior seamlessly. The two and three-bedroom apartments feature modern kitchens with top-end appliances. The stylish bedrooms provide a private sanctuary of rest and relaxation and benefit from exquisitely finished bathrooms.

These homes boast space, light, far-reaching sea and mountain views and provide a great base from which to explore the exciting surroundings but are equally conducive to staying at home and enjoying the exceptional on-site amenities, such as the gym and the panoramic pool deck with a large infinity swimming pool.

This contemporary development features attractive symmetrical architecture, low energy consumption and a high degree of sustainability.

Please contact us for further information about these contemporary new build homes on the Costa del Sol.
