OVERVIEW

Elegant duplex apartment for sale as part of the stunning New Development Serra Apartments, in Barcelona's Gothic neighbourhood.

At the historic heart of Barcelona, in the charming Gothic Quarter, we find this new development of 13 luxury apartments for sale. The impressive stately building which houses these properties dates back to 1890 and has been renovated to offer spectacular modern interiors with a glass lift whilst respecting and restoring many of its period features including the original stucco on the building's façade.

This 90m² is distributed across 2 levels. On the lower level we find a spacious living area to the right of the entrance, and, to the left, the fully equipped open kitchen and dining area. With ceilings over 4 meters high and large windows, the space is open and bright. One of the 2 double bedrooms is on the lower floor along with a bathroom. This large bedroom has access to a lovely terrace. A spiral staircase leads to the upper level and the second double bedroom and a bathroom.

Exposed brick walls, wooden ceiling beams and a combination of wooden flooring and ceramic tiles artfully combine modern elements with historic charm in these sophisticated, brand new city homes.
