OVERVIEW

Elegant 2-bedroom duplex apartment for sale as part of a brand new development in Barcelona's Gothic neighbourhood.

At the historic heart of Barcelona, in the Gothic Quarter, we find this stunning new development of 13 luxury apartments for sale. The stately building which houses these properties dates back to the year 1890 and has been renovated to offer impressive modern interiors with a glass lift whilst respecting and restoring its period features such as the original stucco on the building's façade.

This 93m² is distributed across 2 levels. On the lower level we find an ample living space and the fully-equipped kitchen and modern dining area. With ceilings measuring over 4 meters as well as large windows, the space is open and receives abundant natural light. One of the 2 double bedrooms is on the lower floor along with a bathroom. A spiral staircase leads to the upper level where we find the second double bedroom and bathroom.

Charming features such as exposed brick walls, wooden ceiling beams and a combination of wooden flooring and ceramic tiles artfully combine modern elements with historic charm in these sophisticated city homes.
