OVERVIEW

Elegant 1-bedroom penthouse with a large terrace, for sale as part of the Serra Apartments New Development, Barcelona.

At the historic heart of Barcelona, in the Gothic Quarter, we find this stunning new development of 13 luxury apartments for sale.

The stately building which houses these properties dates back to the year 1890 and has been fully renovated to offer beautiful interiors with a glass lift whilst respecting and restoring stunning period features such as the original stucco on the building's façade.

This penthouse property stands out for its 56m² terrace providing excellent outdoor space in such a central location. The apartment itself measures 31m² with an intuitive layout to maximise the space. There is 1 double bedroom and 1 bathroom in addition to the living-dining area and modern, open kitchen.

Charming features such as exposed brick walls, wooden ceiling beams and a combination of wooden flooring and ceramic tiles tastefully combine modern features with historic charm in this elegant city centre penthouse.
