OVERVIEW

Beautifully renovated 3-bedroom apartment with abundant natural light, in a stately 1940's building with a concierge service in the Sant Gervasi-Galvany neighbourhood.

This 103 m² apartment has recently been fully renovated to an excellent standard and with impeccable taste. It is found in an elegant period building with a concierge service in the charming Sant Gervasi-Galvany neighbourhood, next to Via Augusta, the FFGG Muntaner station and Plaza Molina. It is also close to the Enric Sagnier Park and Galvany market and a variety of shops and restaurants just 5 minutes away on foot.

On entering the property we find a bathroom to the left, followed by 2 bedrooms. Moving on towards the right, a corridor leads us to the semi-open kitchen with a bathroom in front of it and the bright living room followed by the master bedroom. Both the living room and 2 of the bedrooms are exterior facing and have balconies.

From the light wooden flooring to the modern kitchen and excellent hydromassage bathtub, this apartment has been refurbished with great attention to detail to create a very comfortable and stylish high-end home.

This property is ideal for anyone wishing to live in this exclusive Barcelona neighbourhood and looking for a home in pristine, move-in condition with excellent potential rental yield.
