OVERVIEW

Renovated 3-bedroom property in the Pedralbes neighbourhood with communal areas, parking and swimming pool.

In a Pedralbes building with a renovated entrance, garage, and well maintained landscaped communal area with a swimming pool, we find this beautiful property for sale.

The property has undergone a high quality renovation, optimising the usable space and offering pleasant views of the street and of a green area.

On entering we take some steps down to the spacious living room – dining room and kitchen, all in a single space with a large window that allows plenty of natural light in.

A corridor leads us to the utility area and a complete bathroom on the left and the 3 bedrooms on the right, including 2 medium sized rooms and 1 small room, one of which has an ensuite bathroom and dressing room

An attic provides superb large storage area which allows the owner to keep the rest of the property tidy and organised.

Ideal for a family seeking a home in the affluent Zona Alta area at a competitive rate. It also offers great rental potential.
