### OVERVIEW

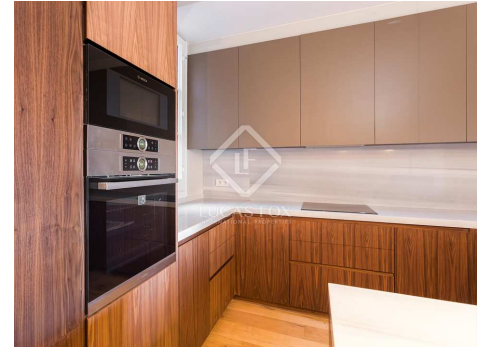

## Recently renovated apartment in a 'finca regia' building with abundant natural light, for sale close to Plaza Francesc Macià in Barcelona.

Located in the coveted Eixample Left area of Barcelona, this fantastic apartment is just 3 minutes on foot from Diagonal and under 10 minutes from Plaza Francesc Macià and Turo Park, as well as being very well connected by public transport to the rest of the city.

The 2-bedroom apartment is within a 'finca regia' building with a lift and was recently renovated by renowned Barcelona architects, artfully combining elegant modern finishes with the early twentieth century features such as high ceilings, wooden carpentry and decorative glasswork with sensational results.

The apartment has a typical Eixample property layout with clearly defined day and night areas. In the day area we find the living room, dining room and kitchen with views of the street while the night area consists of a double bedroom with a dressing room and gallery and a master bedroom suite with a balcony over the interior block patio. In the middle section of the property we find a large storage cupboard and the utility area. The property benefits from hot and cold air conditioning.

An ideal family home or second residence from which to enjoy life in this vibrant city to the full.
